SUMMARY

I am a college student seeking work experience with robotics. I have a passion for seeing my software come alive in my robotics projects and endeavors.

SKILLS

Computer Vision	Robot Operating System (ROS)	OpenCV
C++	Robotics	Machine Learning
Point Cloud Library (PCL)	Pattern Recognition	Image Processing

EXPERIENCE

Cuyahoga Community College

11 / 2014 - 07 / 2015

Physics lab student assistant

Responsibilities included taking down and setting up laboratory experiments for earth science and physics classes.

Saint Edward High School

06 / 2012 - 07 / 2015

engineering camp instructor

Worked the summers of 2012, 2013, 2014 and 2015. Helped promote interest in STEM related fields, specifically robotics and computer science, to middle school students. Duties included material procurement and classroom instruction.

EDUCATION

Rochester Institute of Technology

2015 - 2018

Bachelor's Degree, Electrical engineering with a focus in robotics

Robotics club

Cuyahoga Community College

2014 - 2015

Achieved a 4.0 cumulative GPA and made dean's list for two consecutive semesters.
